## STALLION COOLED SEMEN CONTRACT

This form/contract certifies that \_\_\_\_\_, herein referred to as the Mare Owner, has agreed to breed to the stallion 'I'm First', ASHA registration #108950, for the 2015 breeding season to the following mare:

Mare Registered Name: \_\_\_\_\_ Breed: \_\_\_\_\_  
 Reg. No: \_\_\_\_\_ Year foaled: \_\_\_\_\_ Color: \_\_\_\_\_  
 Sire: \_\_\_\_\_ Dam: \_\_\_\_\_

Mare is currently:  Maiden  Barren  In Foal (LBD) \_\_\_\_\_  Wet (foaling date) \_\_\_\_\_

Mare will be:  carrying her own foal  will be a embryo donor

Stonecroft Farm / Alliance Stud LLC, will herein be referred to as Breeder/Stallion Manager

### I. TERMS

1. A copy of the mares' registration papers must accompany this contract.
2. The booking is valid to the mare named and may not be transferred without consent of the stallion owner or manager.
3. This contract cannot be sold by mare owner.
4. A stud fee of \$3500.00 (non-refundable) of the above fee is due/payable with this contract and must be paid in full prior to the first shipment of semen, payable to Stonecroft Farm at PO Box 346, Simpsonville, KY 40067
5. The breeding season enforced for this contract will start Feb 9, 2015 to August 15, 2015.
6. This contract is good for one (1) foal. Multiple foals from the same mare in the same breeding season will require a separate contract and breeding fee for each resulting foal

### II. LIVE FOAL GUARANTEE

1. Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if foal is stillborn a return season is guaranteed for the following year only, providing proper notification is given.
  - Proper notification is written certification by a licensed veterinarian within 7 days that the mare has absorbed, aborted, or produced a non-viable foal.
  - Mare owner certifies that such abortion or death did not result from any act or omission of the Mare owner.
  - Booster rhinopneumonitis vaccinations must be administered as indicated by the individual drug manufacturer as the mare progresses through her pregnancy.
  - Failure to do any of the above will **VOID** the live foal guarantee
  - If outstanding breeding fees are not settled by Oct 31 in the year of this contract, the live foal guarantee will be null and void.

### III. CONDITIONS

1. Mare Owner should ensure the healthful condition and breeding soundness of the mare prior to insemination. Breeder/Stallion Manager makes no guarantee on any reaction of the mare to the cooled semen
2. Parties agree that if the mare dies prior to insemination or after examination by a licensed veterinarian is found to be unfit to breed, another mare may be substituted with the consent of Stonecroft Farm, with the same terms and conditions applying. This provision does not apply to mares being bred under the authorized rebreed privileges. Certificate of unfitness or death from a licensed veterinarian must be received by Stonecroft Farm within 10 (ten) days of discovery of unfitness as a condition of the right to substitute.

3. If the mare fails to get pregnant in the year of this contract, rebreed privileges will be carried over for the term of one year, with the same terms and conditions
4. If the mare will be an embryo donor, this must be stated in writing to the Breeder/Stallion Manager prior to the breeding of the mare
  - If multiple embryos are recovered, a stud fee for each additional foal will be due to Stonecroft Farm at the time of the foal's birth and prior to any Breeders certificate being issued
5. It is the Breeder/Stallion Managers responsibility to ship semen in viable condition to the mare owner. The semen has been analyzed for sperm count & motility, and the collection & packaging procedures meet industry standards
  - This stallion has been tested negative for EVA and has had one set of negative CEM cultures for the 2015 breeding season
6. Mare Owner understands and must comply with the following:
  - Notify the Alliance Stud when the mare is in early heat
  - This will help the Stallion Manager plan the stallions collection schedule so the Mare Owner receives a quality product
7. Veterinarian or Mare Owner must contact Alliance Stud by 9am EST the day of collection  
Stallion will be collected on a Monday, Wednesday, Friday schedule beginning on Feb 9, 2015 – August 14, 2015
  - Stallion will not be collected two days in a row unless approved by stallion owner and veterinarian in charge
  - Saturday collections are available at an additional cost to mare owner (airline fees)
  - Stud fees, shipping fees, and collection charges must be paid by the Mare Owner prior to the semen being shipped from Alliance Stud
  - Mare Owner or agent may cancel the shipment up until 12pm EST on the day of shipment at no penalty, unless the stallion has already been collected at an earlier time to accommodate the Mare Owners request
  - Mare owner must submit semen shipment form prior to shipment to confirm details
8. Breeder/Stallion Manager will make every attempt possible to ship two (2) doses of semen for every mare, however only one (1) dose is guaranteed.
  - All requests for semen are filled as received and subject to availability.
  - If the mare fails to settle for any reason, the Mare Owner will hold the Breeder/Stallion Manager blameless
9. Mare Owner must have the mare inseminated by a licensed veterinarian within 48 hours after delivery of the semen
  - After 48 hours remaining semen should be discarded and Mare Owner should call to have the stallion collected again
  - Stallion will be collected no more than 2 times per cycle (2 shipments) without approval from Alliance Stud veterinarian
10. This stallion will be collected at Alliance Stud LLC. It is the Mare Owner's responsibility to arrange a billing account with Alliance Stud prior to the shipment of the semen. It is also the Mare Owner's responsibility to complete and return the mandatory 'Semen Shipment Agreement' (attached with this contract).
  - Semen will not be shipped without a completed agreement on file and payment in full being received.
11. Mare Owner has the option of paying fees by credit card. Mare Owner must fill in the information on the lines below.
  - Third party credit card use is not allowed without written permission from the third party and verification by Breeder/Stallion Manager at least ten days prior to shipment
  - Mare Owner is responsible for keeping a current and valid credit card number on file with Alliance Stud LLC
  - Cards accepted: *Visa, MasterCard, American Express and Discover*

Type of Card: \_\_\_\_\_ Expiration Date: \_\_\_\_\_

Card number: \_\_\_\_\_

Security Code: \_\_\_\_\_ (3 digit code on back of card)

Name on Card: \_\_\_\_\_

12. Mare Owner agrees to return the shipping container in a timely manner to Alliance Stud LLC. If Mare Owner fails to return equitainer within given time period provided by Alliance Stud, a penalty fee may be charged on a per day basis or may include replacement costs of the equitainer

13. Mare Owner agrees to observe ordering and administration protocol for the shipment of cooled semen as determined by Breeder/Stallion Manager.
14. Breeder/Stallion Manager is not responsible for the integrity and quality of the cooled semen once the semen has been shipped from Alliance Stud LLC. Once the shipment arrives, it should be inspected immediately. Any claims regarding the integrity of the shipment must be filed on the day the shipment arrives; the equitainer's latch should be closed with a plastic tie wrap (if possible) and the exterior should not be when the lid is opened and securely wrapped with duct tape. A report of damaged semen must be filed by the Mare Owner within 24 hours of delivery. Insurance of \$499/container is placed on the semen shipment. It is the responsibility of the Mare Owner to relay on the semen shipment for that more insurance is requested and the amount in which is preferred
15. Mare Owner must have mare checked for pregnancy by a licensed veterinarian at 12-18 days of gestation, 25-30 days gestation, and again after 45 days of gestation, and must inform the Breeder/Stallion Manager of the mare's pregnancy status to be eligible for a completed breeding certificate to be issued
16. In the event that the mare is sold after breeding, Breeder/Stallion Manager makes no guarantees to the new owner in regard to the health or success of the pregnancy
17. Should it be necessary for Breeder/Stallion Manager to employ an attorney to enforce an of the terms of this agreement including collection of money owed, Mare Owner shall pay all responsible attorney's fees, cost of suits, and other expenses reasonably related to enforcing this agreement
18. Parties agree that should the above stallion die or become unfit for any reason, the options are:
  - Frozen semen may be provided, amount to be determined by stallion owner to satisfy the contract
  - A substitution stallion will be provided upon the Stallion owners consent
19. This contract cannot be assigned or transferred by Purchaser. There shall be no right of return to the stallion if the mare is sold or otherwise changes ownership after having been served by the above stallion.
20. This contract is not valid unless completed in full. When Mare Owner signs and returns the contract and booking fee to Breeder/Stallion Manager a representative will notify the Mare Owner within 15 days of approval. Upon notification, it will become a binding contract on both parties, subject to the above terms and conditions.
21. This contract is governed by the laws of the State of Kentucky and shall be construed and enforced under the laws of the State of Kentucky. All accounts are due and payable in Shelby County, Kentucky, in U.S. dollars.

## Alliance Stud LLC Semen Shipping Agreement
